A LETTER FROM THE CEO

Dear Loudoun Members,

There's a chill in the air as the end of the year grows near, and I like to look at the cooler months as an opportunity to cool down and reflect on all that we have accomplished over the year. Where are we, where do we want to go, and how will we get there?

This year alone, we've opened doors to new opportunities. Even through the tough times, you knew our doors were always open. At the end of the day, it all comes down to being there for people and providing them with what they need. In the last stretch of 2022, we hope you seize the opportunity not only to walk through open doors but to look on to the journey ahead. Be thankful for what you already have, but never stop pushing for more. You deserve it. And we'll continue to be here through every season.

Contact us today for help in making your financial goals a reality. And, as always, thank you for being a part of the Loudoun Credit Union family!

Travis Allen

This year, LCU will offer grants to three (3) local non-profit organizations in the amount of \$3,000 each.

Loudoun CU also recognizes outstanding student members through its scholarship program. Loudoun Credit Union will be offering three (3) \$1,000 Scholarships.
